### Announcements.

CONGRESS.  
The friends of Rowland C. Burns beg to announce that he is a candidate for Congress in this district in 1902, subject to the action of the Republican party. He believes that a mountain man is as good as any one.

Vote for Ben Diamond for Magistrate.

Vote for G. E. Fugitt for County Attorney.

Al. Hayes for Jailor! Don't overlook him.

"Uncle Josh" is a fixture for Constable in this district. Of course he will be re-elected.

R. W. Holbrook for Superintendent of schools is the man you should vote for.

The trial of Caleb Powers is again in progress at Georgetown. He is fighting for delay at every point.

Highberger for Surveyor is an engineer and his surveys will be accurate. That is what the people want.

Jesse Cordle is an industrious hustling man and will keep up the work of the Sheriff's office in good shape.

The funeral services over the body of the late Lorenzo Snow, President of the Mormon Church, took place in Salt Lake City Sunday. The burial was at Brigham City.

You will make no mistake by voting the straight Democratic ticket. If you want competent officials in charge of county and state affairs you can not afford to do otherwise.

R. F. Vinson is not only a lawyer, but he knows the needs of the county, her financial condition, and how to conduct the office of county Judge to the best interests of the people.

By electing Add Skeens clerk you will insure neat and correct records for the county. These records must stand for the inspection and use of all future generations and it is important to have them well kept.

The Ohio Valley Improvement Association will meet in Sixth Annual Convention at Paducah, Oct. 23d and 24th. This Association is doing a great work for the Ohio and its tributaries. Big Sandy river has received some attention at its hands.

### ULYSSES

Big Sandy yearly conference of Freewill Baptist, Saturday Oct. 12, 1901.

The Council met at the Walnut Grove Freewill Baptist church in order to organize a yearly conference, known as the Big Sandy Yearly Meeting of the Freewill Baptist. Elders S. H. Norman of Charleston, W. Va., Dell Upton of Waterloo, W. Va., and Timothy Murphy of Griffithsville, W. Va., composed the council. The house was called to order by Chairman Eld. Murphy, then Elder Alva Crabtree took the stand and delivered an able address on the rise and progress of the denomination, after which the constitution prior to 1892 was adopted. The hand of fellowship was given by Elder Upton, prayer of consecration by the chairman.

J. Milt Hicks was elected clerk and H. R. Conley Treasurer. Rev. Chas. Murphy was chosen to do Evangelistic work during this conference year.

J. Milt Hicks, Chas. Murphy and T. S. Williams was appointed to draft by laws for the yearly meeting.

Adjourned until night. Preaching by Eld. D. Upton.

Title of Text, "Oneness in Christ" after sermon some business was transacted then adjourned until Sunday 10 o'clock.

Preaching by Eld. Alva Crabtree Subject, Purpose of Human Existence. Adjourned until 2 p. m. Eld. D. Upton delivered the charge to the Y. M. it was a splendid oration and very instructive—quite a treat to the congregation as well as the delegates. Revs. C. C. Rose and Naoman Borders were duly set apart to preach the gospel. The first session of the Y. M. will be held with the Johnson county Q. M. Sept. 1st, Friday and Saturday, 1901. Closed according to order. J. M. Hicks, Clerk.

"I had long suffered from indigestion," writes G. A. LeDeis, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fat and will soon be able to work. Before he used Kodol Dyspepsia Cure indigestion had made him a total wreck."

Result of Good Management.

The ability of a company to pay good dividends depends in a large measure upon the acumen of its officials in profitably investing its funds. The Mutual Life of New York leads all other companies in excess of interest, rents and profits on its investments as compared with expenses, and during its 58 years has exceeded from this source its entire expense of all kinds together with its taxes, and has left the large sum of \$58,796,202.

The following is a table showing what some of the other companies have accomplished:

The Mutual Life, excess	\$58,796,202
Mutual Benefit	27,259,710
Equitable	23,709,308
Northwestern	20,587,541
Penn Mutual	3,268,303
Washington Life, less than expenses	294,000
Massachusetts Mutual less than expenses	514,820
National Vt.	2,196,013
Michigan Mutual	2,124,678
Union Central	3,805,129
N. Y. Life	6,309,569
Equitable	7,673,919
John Hancock	21,696,214

Why not insure in the best and largest company in the world?—The Mutual Life Insurance Company of New York.

F. H. Yates, Manager Eastern, Ky., Louisa, Ky.

Mrs. T. Bridleman of Marshallville, Mich. was troubled with salt rheum for thirteen years and had tried a number of doctors without relief. After two applications of Bannan Salve, her hands became better and in a short time she was entirely cured. Beware of substitutes. A. M. Hughes.

## Kentucky Crop Report.

Frankfort, October 5, 1901.

Favorable weather conditions during the month of September did all that could be done to repair the damage consequent upon the summer drouth. This is apparent in the improvement in the tobacco and late corn crops, and in pastures—about the only crops that could be affected. The early corn was too far advanced to recover and is a very poor crop pretty much all over the State. The per cent. of this crop is reduced, as it is found when feeding it that it falls short of September estimates. Late corn holds its own, but the estimate of our crops of correspondence reduces the per cent. for corn (early and late) from 61 to 59. There has been some loss from storms. The per cent. of wheat sold is 58—showing a disposition to hold this cereal for better price. Hemp has improved in condition, and the figures (after cutting) are moved up from 90 in September to 102. Tobacco also shows material improvement in condition, and is advanced from 78 to 83. The quality is high. This crop is about all cut and mostly in the barn in fine condition. Some of the counties report best crops in many years. Pastures were so much improved by the rains in August and September as to greatly make up for loss to the corn crop, as it will enable farmers to carry their live stock far into the winter. Rye, winter oats, and other grazing crops have been sown for winter and early spring pasturing.

Farmers can do no better than to sow a few acres of barley, (if the seed can be found) as it is about the first grain to ripen in spring, and makes excellent feed for work stock as soon as cut. Both grain and straw can be fed.

Feeding hogs are scarce and high—not enough in many counties for home use. The number is reduced to 66 per cent. of the average.

The per cent. of fall sowing of wheat, rye and winter oats, will be about the average over the State. Sowing will be late, especially in sections where the crop was so badly damaged this year by the fly.

I. B. Cooksey, of this place, is selling out his stock of merchandise, and will return to his native State of Kentucky.—Lincoln (W. Va.) News.

Wm. Mansfield, editor of the Wayne News, has been elected Grand Record and Seal Keeper of the Knights of Pythias Grand Lodge of West Virginia.

Huntington is to have a new whole-sale shoe and hat house. The stockholders are Jeff Newberry, George B. Clay, W. H. Crum and Gus Hampton, all of Catlettsburg, Ky.

An official call has been issued from the national headquarters of the United Mine Workers of America for a convention of representatives of organized and unorganized miners of Virginia and West Virginia to be held at Huntington, W. Va., October 31st. The call is the outcome of the meeting at Parkersburg, W. Va., a week ago.

At five o'clock Monday evening fire broke out in the Southern Methodist Church parsonage in Guyandotte, occupied by Rev. Mr. Crites, and, before the flames could be extinguished, in the neighborhood of \$500 damage had resulted. Rev. Mr. Crites' household effects were badly damaged and a sad feature is the fact that there was no insurance, either on the building or household effects.

R. A. Andrews, Huntington, W. Va., Superintendent of the Camden Interstate Electric Line from Guyandotte, W. Va., to Hanging Rock, Ohio, two and a half miles beyond Ironton, via Catlettsburg and Ashland, Ky., a distance of 24 miles, is at the Emory.

"There is not as well an equipped electric line in your city or state as ours, with its ninety-pound rail and cars 50 feet long, with seating capacity for 90 persons, to say nothing of standing room," said Mr. Andrews, "with service every 15 minutes and a schedule speed of 40 miles an hour. The population along the line averages 6,000 to the mile. We will go into the freight business in a few months.—Cincinnati Enquirer.

Weich, W. Va., October 12.—J. W. Hall, who came to the vicinity of Davy, this county from Ky. less than a year ago and proclaimed himself a Mormon minister, left the country in a hurry shortly before last midnight, a posse of influential citizens of that community being after him with a bucket of tar and bag of feathers. When the "commitee" reached the front door of Hall's place of abode he immediately realized the situation, and making his exit through a rear door escaped to the hills in his night clothing. All efforts to re-locate him have proved futile, and it is thought he has safely escaped to Kentucky.

Mr. Hall had an estimable wife and three little children, who, it is claimed, were not provided for. Mrs. Hall died, the neighbors alleged, from neglect.

Huntington, W. Va., Oct. 12.—Rev. L. C. Scott, Chaplain of the West Virginia Asylum for Incurables, of this city, has not tasted a morsel of food for 42 days, and will continue his remarkable fasting until he feels that he has been cured of rheumatism that attacked him while a student of the Ohio Wesleyan University in Delaware, Ohio, in 1891. He has visited all the health resorts in the United States, and has consulted the best physicians in the world without obtaining any relief. The doctors said his disease was incurable. In the meantime he has suffered untold agony. His wrists, elbows, fingers, ankles and neck became anchylosed so that for years his chin has been pressed down upon his breast; he has been unable to grasp anything or to raise his hand to his mouth; he has had to be fed and wheeled about in a chair. In spite of all this, however, Mr. Scott has remained hopeful. Mr. C. C. Haskell, of Norwich, Conn., whom he met at Mt. Lake Park, Md., recently advised him to try fasting. Mr. Scott having become satisfied that his trouble was caused by a morbid ferment in his stomach, for during all the years of his suffering he had had a coated tongue. He thinks he has fed the ferment and the ferment has fed the disease. "This is the forty-second day of his fast. His pulse has improved from the first. His skin has assumed a clean, healthy look. The swelling disappeared from his joints; within three weeks he walked down stairs and can now get up from his invalid chair and walk. The coat still remains on his tongue, but he is advised that when it begins to leave his tongue it will leave in a hurry. Mr. Scott proposes as long a fast as his physicians will permit; for 60 days if pulse and other indications show that he may do that with safety. The record is 90 days.

## COURT DAY SALES.

Arrangements Made for Sales of Live Stock at Louisa.

EVERY COUNTY COURT DAY.

A few of the citizens of Louisa have taken the trouble to arrange for sales of live stock to take place here on County Court day (the third Monday) in each month. It is intended to be a permanent enterprise, conducted for the benefit of the sellers and buyers of the entire surrounding country. It is not a money making scheme, but is simply a public spirited move which it is hoped will benefit the masses of this and surrounding counties.

The plan is to bring buyers and sellers together here on those days and have sales made either privately or by auction, as the owner in each instance may prefer. Persons having any kind of live stock for sale are requested to bring it in here on County Court day.

The Big Sandy News has agreed until further notice to insert free of charge advertisements of stock to be offered for sale each month. Parties intending to have stock here should send us description of it as early as possible, giving date at which it will be offered for sale. This will insure the presence of persons desiring such stock.

Let everybody help this enterprise along.

The following stock will be among that offered for sale at Louisa on the next county court day—the third Monday in the month:

1 bay colt will be 2 years old next spring, fine gaited.

1 span mules, brown color, 134 hands high, weight about 1000 lbs each, 6 years old, good workers.
